

Open day Saturday 23rd April 2022

Come and meet the team on our campus from 11am to discuss your needs.

For all enquiries or to book your space please email Matthew Price (map89@aber.ac.uk).

Aberystwyth Business

School, in partnership with HEFCW, is offering a number of modules aimed at industry. The modules focus on business improvement strategies and new market development to help companies develop initiatives towards improving business performance.

Modules include: Energy Management; Supply Chain and Logistics Systems; Project management Techniques, Marketing Management, Marketing Planning, B2B and B2C marketing.

Modules are offered to companies free of charge, and credits earned can be used against future studies at Aberystwyth Business School.
