STUDENTS' UNION

Aberystwyth University and AberSU have worked together to develop this charter that clearly sets out what the University, the Students' Union and students can expect of each other.

Together, we are committed to creating a vibrant, safe and positive learning community in which every student has the opportunity to realise their full potential, and where everyone is treated in a professional manner with respect, dignity and courtesy within an inclusive environment.

The University will...

- Invest in first-class facilities and resources in order to sustain an active learning environment.
- Deliver excellent teaching driven by staff research.
- Provide constructive, appropriate and timely feedback.
- Communicate clear and accurate information on all aspects of the Aberystwyth University experience.
- Ensure students receive appropriate academic guidance.
- Provide Welsh-medium teaching, research and student support.
- Equip students with relevant, transferable and highly valued skills to aid personal development and enhance employability prospects.
- Involve elected student representatives as full partners in University decision making.
- Provide accessible, responsive and inclusive support services.
- Publicise full, transparent financial information on tuition fees.
- Respond proactively to the student voice.

The Students' Union will...

- Represent students across the University and beyond.
- Provide an exciting and safe environment that is inclusive to all students.
- Support a wide range of sports, societies and volunteering activities.
- Provide students with impartial advice, information, representation and support.
- Partner with students, the University, alumni, and the local and wider community to enhance student life at Aberystwyth.
- Operate democratically and transparently in line with its constitution and best practice.

Students will...

- Take responsibility for personal learning and attend all learning sessions.
- Attend examinations and submit work on time, making full use of feedback, guidance and advice.
- Read and become familiar with the information made available to students, including University email and AberLearn.
- Regularly check the timetable for updates to lectures, seminars and exams.
- Understand and adhere to University regulations.
- Inform the University of anything affecting wellbeing and success.
- Engage with student representatives in a shared commitment to enhance the academic experience and University life.

Together we will...

- Treat everyone with respect.
- Respect University property, equipment, facilities, and teaching/study spaces.
- Make the most of our time at Aberystwyth University.
