‘How to apply for a Student visa’ Tutorial

‘Outside of the UK’

Rosa Soto, International Student Adviser
visaadvice@aber.ac.uk

All students should firstly visit <https://www.gov.uk/student-visa/apply> and create an account on UKVI online application system.

Apply outside the UK

As part of your application, you'll need to prove your identity. How you do this depends on where you're from and what type of passport you have.

You'll either:

- give your fingerprints and a photograph (biometric information) at a [visa application centre](#)
- use the 'UK Immigration: ID Check' app to scan your identity document - you'll also create or sign into your UK Visas and Immigration (UKVI) account

You'll be told what you need to do when you apply.

Once you've started your application, you can save your form and complete it later.

Select a country to provide your biometrics

To complete your application, you must provide your biometrics (fingerprints and facial photograph). This may involve attending a visa application centre (VAC) operated by one of our commercial partners.

We need to know which commercial partner will manage your biometrics appointment. This is so we can transfer you to the correct website after you have submitted your visa application.

Enter the country where you would like to provide your biometrics. This will usually be the country you are in now. If there is no VAC in your selected country, you will be able to choose an alternative location.

If you believe you are unable to provide your biometrics at any location, you should still choose a location. You will then be told how to proceed.

Enter the country where you are applying from.

Next

Press 'Next' at the bottom of the page.

Check available visa application centre locations

! The continued international effort to limit the impact of the coronavirus (COVID-19) pandemic has resulted in the disruption of services at some of the UK's visa application centres. To check the availability of services at your preferred application centre you can find more information by visiting the website of our commercial partner [VFS Global](#) who operates our centres around the world.

You can find all VAC locations by checking the ['Find a visa application centre'](#) page on GOV.UK. They are also listed on our commercial partners' websites.

You will not be able to change the location after you have submitted your application.

There may not be a VAC in your preferred location. Try an alternative location if this is the case.

You must select a location even if you believe you are unable to provide your biometrics at any location.

- I have identified the location where I will provide my biometrics (or I am unable to provide my biometrics at any location).
- I want to choose a different location.

Select an answer and press 'Next'.
